

COVID-19 PRECAUTIONARY MEASURES & RULES

Subject 1: Lessons

- Students should go directly to their classrooms. There will be hand sanitisers on the way in and out of the class. **Before and after each lesson teachers will ask students to apply hand sanitizer.**
- Students will have a **desk to themselves** and will be seated one metre apart from their peers.
- **Resources will not be shared** so students should ensure they have all the equipment needed for the lesson.
- They will be **constantly supervised** by their teachers who will **control and maintain social distancing between students at all times.**

Subject 2: Break Times

Break times will be at the usual times as per timetables, but students will be asked to leave their classrooms **one by one**, then will be **separated into various different areas**. They will be **constantly supervised** by members of staff who will **control and maintain social distancing between students at all times.**

Subject 3: Absences, Health issues and Covid-19 Symptoms

- If your child or any close member in your family belongs to the **vulnerable groups**, we would advise you to keep your child at home and inform the teacher.
- If you are outside Cyprus, or **if your child will not attend the lessons please let your child's teacher know.**
- If students become unwell during a lesson, **we will ask parents to take them home.**
- According to the Ministry's regulations please continue to monitor your child's health for symptoms of Covid-19 at home and take their temperature daily.

Subject 4: Hygiene, cleaning and airing

- All classes have been **deep cleaned and disinfected**.
- Regular cleaning will continue and all **students' desks will be disinfected** at the end of each lesson.
- All **windows will remain open** all day.
- **Hand sanitizers will be available** at the **entrances to each class**.
- **Masks are compulsory** for students or teachers according to the Ministry regulations.

Subject 5: Parents & guardians visits to school

We ask that parents and guardians do not **enter the classrooms unless necessary**. **All visitors must use hand sanitizer and wear a mask when entering and ensure that they keep social distancing**.

Subject 6: Psychological Support for students and Staff Training

- Teachers are available **to reassure students** who are worried about any aspect and inform them about the new class rules.
- All members of staff have been involved in **specific training** for the enforcement of all the new measures and rules.

Subject 7: School Assembly

The school assembly takes place twice, so half of the students attend each time and there is an empty seat between each student according to the rules and regulations by the Ministry of Education.
