

# **ENTRANCE EXAM**

## **VIA VIDEO CALL PROCEDURE**

### **General Information**

- The date and the time of the exam is arranged in prior with the International Office.
- Entrance exams consist of:
  1. English exam (2 hours)
  2. Mathematics exam (2 hours)
  3. Non-verbal reasoning test (15 minutes)
- Exams can be taken on a single day or on separate days. If the exams are taken on a single day, the student takes a 20-minute break between each exam.
- The use of mobile phone, computer or another device or dictionary is not allowed.
- The student should be alone in the room.

### **Steps**

- 1.** Video Call, introduction & Instructions. The examiner sends the exam paper to the student, the student prints of the exam paper.
- 2.** The exam starts. The camera should be placed on the paper and the student.
- 3.** When the exam finishes, the student scans or photographs the paper and sends it immediately to the examiner.
- 4.** The procedure is completed. The exam will be forwarded to teachers for correction and marking.
- 5.** Announcement of the result within 5 working days. The International Office sends the corrected paper to the student.
