THINGS TO BRING DAILY:

- Every day, children should bring their Summer Fun Club bag and a small bottle of cold water or a flask of water. Also, it is recommended that the children wear hats and sunscreen for their own protection from the sun and the heat. We would advise all parents to mark their child's personal possessions with their name.

- For the benefit of the children, the canteen is open daily during the breaks and water, juices, flavoured milk etc are available for the children to purchase.

- We kindly request that children do not bring mobile phones or any kind of electronic games such as PSP or tablets with them. Their use prevents them from participating fully in the activities programme and our aim is to encourage them to socialise and engage in fun, learning activities!

TRIPS TO THE XENION BOARDING HOUSE POOL

When children go to the Xenion Boarding House swimming pool, (weekly announcements will be given out) they need to come to school with their swimsuit / swimming trunks on, their hat, sun protection cream and their towel. If needed or desired, they could bring their armbands / life jackets or a small swimming board. A lifeguard and the group teachers will be with them supervising. The Boarding House has shaded areas and other facilities which can be used by students who wish to stay out of the pool. Children will return to school to be collected by parents at 2pm.
