# TRIPS TO THE XENION BOARDING HOUSE POOL

This summer, as always, we invite all the Xenion Summer Fun Club children to the **Xenion Boarding House** swimming pool!

**How could we survive without swimming in Cyprus?!**

**A day per week, is dedicated to that!**

One swimming session per group with teachers and a lifeguard, will give children the opportunity to enjoy swimming and have fun in the pool. Xenion Boarding House swimming pool is 1,10m deep. Children who choose not to join the swimming activities, will use other facilities at the Boarding House.

When children go to the Xenion Boarding House swimming pool, (weekly announcements will be given out) they need to come to school with their swimsuit / swimming trunks on, their hat, sun protection cream and their towel. If needed or desired, they could bring their armbands / life jackets or a small swimming board. A lifeguard and the group teachers will be with them supervising. The Boarding House has shaded areas and other facilities which can be used by students who wish to stay out of the pool. Children will return to school to be **collected by parents at between 13:45 - 14:00.**

# GENERAL INFORMATION

## BREAKFAST

Xenion Summer Fun Club offers breakfast at 9:00 every day.

Children are offered a choice of:

- ham, turkey, halloumi or cheese sandwich
- jam or honey sandwiches
- cakes
- boiled eggs
- cornflakes
- fresh milk

## SNACK

Xenion Summer Fun Club offers a **fruit / snack at 11:30 every day.**

## THINGS TO BRING DAILY

Every day, children should bring their Summer Fun Club bag and a small bottle of cold water or a flask of water. Also, it is recommended that the children wear hats and sunscreen for their own protection from the sun and the heat. We would advise all parents to **mark** their child's personal possessions with their name.

For the benefit of the children, the canteen is open daily during the breaks and water, juices, flavoured milk etc are available for the children to purchase. They can also refill their flasks of water at school.

**We kindly request that children do not bring mobile phones or any kind of electronic games or tablets with them.** Their use prevents them from participating fully in the activities programme and our aim is to encourage them to socialise and engage in fun, learning activities!

# 8 FABULOUS WEEKS

WITH ACTION PACKED, ENRICHED ACTIVITIES  
AND A HOLISTIC APPROACH TO LEARNING!

WEEK 1 23 JUNE - 27 JUNE

## Splash into Summer Beach Fun & Eco-Adventures!

The summer kicks off with an exciting beach adventure - learning how to have fun while protecting our beautiful shores. The highlight? **A full day at the beach**, where sun, sand, and sea fun combine with learning about ocean conservation. Kids will enjoy **stand-up paddleboarding with Mrs. Maria Panayi**, try sailing with **Bega Figo**, the Famagusta District Sailing Club, and play fun beach games. They will also discover ways to protect the environment with **hands-on eco-activities**. Get ready for an action-packed start to the summer!

WEEK 2 30 JUNE - 4 JULY

## Dive into Discovery - Ocean Wonders Week!

This week, we dive deep into the mysteries of the ocean! Our young explorers will learn about fascinating marine creatures and their habitats. A special trip to the **Ocean Aquarium in Protaras** and the **Thalassa Museum** in Ayia Napa will bring them face-to-face with incredible sea life. Through interactive activities and exciting discoveries, kids will develop a deeper appreciation for the wonders beneath the waves.

WEEK 3 7 JULY - 11 JULY

## Hands-On Heritage - Traditional Crafts Week!

Step back in time and experience the **rich traditions of Cyprus!** Kids will try **pottery with Mr. Askotis from Askott Pottery**, learn the art of **basket weaving**, and create their own **mini loom masterpieces**. These **hands-on workshops** bring history to life, giving children a unique chance to explore cultural heritage in a fun and interactive way. A creative and inspiring journey awaits!

WEEK 4 14 JULY - 18 JULY

## Tastes of Tradition - Cooking Week!

Get ready for a delicious adventure! This week, children will discover the **art of traditional cooking**, preparing tasty Cyprus recipes while learning about their nutritional value. The highlight? A **visit to Hadjigiorki Mills** in Frenaros, where kids will explore the history of Cypriot milling and bake their own honey pies. With hands-on cooking experiences and plenty of delicious treats, this week is packed with flavour, fun, and learning!

WEEK 5 21 JULY - 25 JULY

## Sparkle in Nature – A One-of-a-Kind Adventure!

Nature lovers, this week is for you! In collaboration with the educational program **Sparkle in Nature** ([www.sparkleinnature.com](http://www.sparkleinnature.com)), children will embark on an outdoor adventure **in the forest of Ayios Antonios**. Expert guides will introduce them to local flora and fauna while teaching them how to care for the environment. With **interactive eco-learning activities and hands-on exploration**, this is a week full of discovery, adventure, and an unforgettable connection to nature.

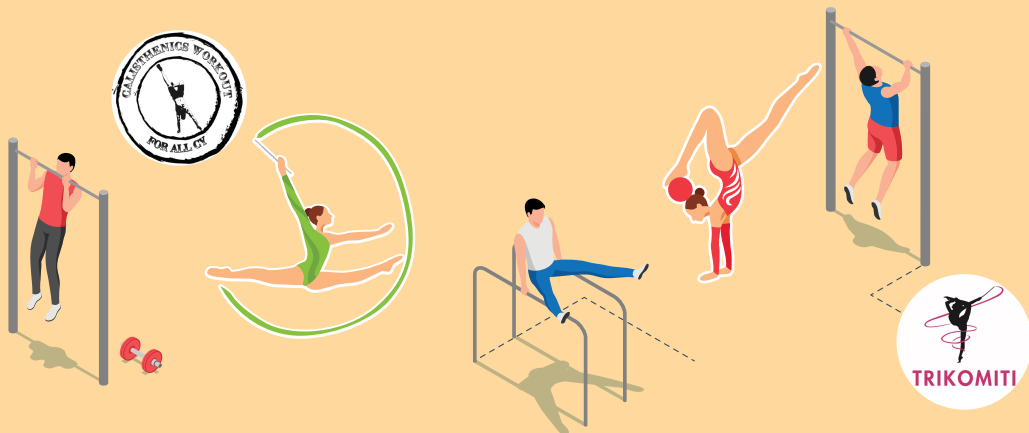

WEEK 6 28 JULY - 1 AUGUST

## Move, Groove & Shine - Active Fun Week!

Get ready to move! This energising week is all about **fitness, dance, and creativity**. Kids will explore rhythmic gymnastics, acrobatics, and dance with coach Loukia Trikomitis, and try calisthenics with Dimitris Hadjiconstantis from Calisthenics Workout4All Cy. The grand finale? A talent show where children can showcase their skills, from dance routines to gymnastics tricks. It's a week full of movement, laughter, and endless energy!

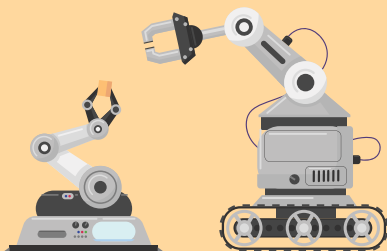

WEEK 7 4 AUGUST - 8 AUGUST

## Robo-Adventures - Explore the Future!

Week 7 of the Xenion Summer Fun Club is all about **robotics and technology**! Our young explorers will have the opportunity to explore the digital world, learning how robots work and how they shape our daily lives. They will also have a glimpse on **AI technologies**! Through activities and exciting discoveries, they will develop curiosity and new interests in science and technology.

Get ready for a week filled with innovation, creativity, and futuristic fun!

We are ending summer with a global adventure! Using National Geographic materials and videos, **kids will travel the world through exciting documentaries, hands-on projects, and fun explorations of volcanoes, rivers, and oceans.** From discovering different continents to learning about incredible animal species, this week is all about curiosity and exploration. The perfect grand finale to an amazing summer!
